Spring 2017

Jobs and Enterprise training

We held a very successful 6 day SIA course for residents.

They will all receive their SIA card along with 3 certificates, which will give them the opportunity to work within the Security industry.

The course covered –

- Working within the Private Security Industry
- Working as a Door Supervisor
- Conflict Management
- Physical Intervention Skills
- Emergency First Aid at Work
- Fire Safety

What our participants said

“Had fun and really enjoyed the course”

“Great course and would recommend”

“I enjoyed working with other residents and staff”

Illustration/Comic Club

Our budding young artists are enjoying this course very much. They are working towards a comic book as a final piece

Podcast

How exciting for our young people to interview Ricky Rayment.

They enjoyed hearing all about the exciting things Ricky has been up to since leaving T.O.W.I.E

You can listen to all podcasts on our website – welr.org.uk

Essential First Aid Course

St John Ambulance carried out a fantastic course for our residents. Attendees were extremely pleased with everything they learnt, and received a certificate.

After School Games Club

Our young members come along fortnightly and enjoy playing back to basic board games.

We are very impressed with their knowledge and team spirit.

Singapore Maths Workshop

Thank you to everyone that attended this workshop. We hope that it helps you support your children at home.

We will be starting tuition for 6 of our Young people to support them with their maths.

We will keep you updated on their progress.

WELR Big Local Youth Club

Once a week students from Chelsea Academy come along to an after-school club at St John's Church. They can join in activities or relax and chat amongst friends. They are given free refreshments and the feedback is very positive.

Students said

"The staff are nice and the session is relaxed"

"It is a safe environment and good to be here with friends"

"Wish sessions were longer"

"It is fun and we enjoy all the activities"
